LADDER AND LADDER SEATS
SAFETY PRECAUTIONS - GENERAL

1. GENERAL

1.001 This addendum supplements Section 010-110-004, Issue 5. Place this pink sheet ahead of Page 1 of the Section.

1.002 This addendum is reissued to change the section issue number.

1.003 This addendum is issued to add a Look Before Moving Ladder Sign.

2. CHANGES TO SECTION

2.001 After paragraph 6.19, add Part 7 as follows:

7. ROLLING LADDER WARNING SIGN

7.01 The Look Before Moving Ladder Sign, Form P-2265 (Figure 1 of this addendum) must be installed on all track supported rolling ladders.

7.02 The warning signs should be suspended at eye level from the tie rod under a ladder step (generally the seventh step). Tie Cables, KS20986 L4, may be used to hang the warning sign from the tie rod.

7.03 The warning sign is made in four fluorescent colors; green, orange, red, and yellow. The colored signs should be mixed throughout an office. For ordering purposes the four colors are packaged as one set.

7.04 The warning signs should be inspected at regular intervals for visibility and condition. All missing or worn signs should be replaced immediately.

7.05 Ordering Information:

- Form P-2265 - Look Before Moving Ladder Sign. See PNB Forms Catalog.
- Tie Cable KS20986 L4 (3 3/4 inches long.) See PNB Supplies Catalog, Material and Tools.
